More or less I'm a mess, now that the sun is down.
I'm all locked up in this dusk you call dawn.
Pouring down like the day you left.
Making up like we never did.

Streetsigns and sidewalks have never looked so dead.
Since you stole my heart and threw it in this dead end.

More or less I'm a mess, now that the sun is down.
I'm all locked up in this dusk you call dawn.
Pouring down like the day you left.
Making up like we never did.

Streetsigns and sidewalks have never looked so dead.
Since you stole my heart and threw it away, threw it
away yeah.

Pouring down like the day you left.
Making up like we never did.

Streetsigns and sidewalks have never looked so dead.
Since you stole my heart and threw it, this dead end.
This dead end.
