A million violins could never  
Sound sweeter than your name  
Hold me close and tell me, baby  
Tell me you're not a dream

[Chorus]

The wind of love has picked me up  
And spun me around in a whirl  
Baby, you're the sunshine of my world

The little things you do like runnin'  
Your fingers through my hair  
Brings on a burnin' fever  
Almost too warm to bear

[Chorus]

If love was treasure  
I would have the world's most precious pearl  
Baby, you're the sunshine of my world

Up on a mountain top  
We'll build a cabin and move in to stay  
Livin' on nothin' but love from day to day

And if I ever get the feelin' your sunshine  
Is slippin' away  
Then, baby, I'll want you to touch your lips to mine  
And make the little sunshine

Each day the skies above change  
Into a bluer blue  
Each day a little more sunshine  
Is shinin' upon you

[Chorus]

A tear of joy reminds me  
Of the world's most precious pearl  
Baby, you're the sunshine of my world  
Oh, baby, you're the sunshine of my world
