[Intro/Chorus: Akon] See, I'm a real G from head to toe
The whole West Coast to let you know Got a flow that's
thick as the ammonia Never will I leave California
Where is my Ds? [Unidentified Artist] You know,
sometimes you gotta go back Back in the time, back to
the basis Til we understand, what is goin' on Okey
WHAT'S GOIN' ON! -----> Chuck D So yo, KAM [KAM]
Said what? KICK THAT SHIT -----> Flavor Flav [Verse 1:
KAM] Man, real motherfuckin' fags everywhere And
keep positions in the game and it's just ain't fare How
they call the shots and they make the choice In this
business real niggaz ain't got no voice Rats in the
videos catch small chat Caught speed up in Cali' like
they all that I tried to get paid, but I can't get far Cause
they don't never wanna see real nigga Rap Star But I
was born, with a creative mind Inclined to resurrect the
deaf, dumb and blind "That's right" A nigga tried to
troop, so when I ride on you Man, only God knows what
I'm gonna do I roll through every ghetto, and be in
every state show When I move it, like I be movin' heavy
weight So all the places where y'all dip in and where
y'all stay Mayday, cause ain't body save today [Hook:
KAM] Aiy, don't blame me like West Coast rap is dead
Y'all are tryin' not to break no bread [Chorus: Akon w/
variations] Okey, see, I'm a real G from head to toe The
whole West Coast to let you know Got a flow that's thick
as the ammonia Never will I leave California Where is
my dreams? [KAM:] It's like a struggle to rhyme, make
you wanna just get outta California [Akon] Then, where
is my dreams? [KAM:] It's like a struggle to rhyme,
make you wanna just get outta California [Verse 2:
KAM] Devils gettin' mad Radio and TV got niggaz doin'
too much, just tryin' to be Rap ?? All my niggaz on the
front line battle or fight And can't even get to shine,
man, you know that ain't right Killers and gangsters,
they ring my phone And be askin' me: why I'm not on?
A lot of dumb hateration, just cause I'm in the nation
Can't get no love on TV, or the Radio Station The cold
ramp torture the nigga 'til he cracked I just got to turn it
down, most of these crackers really whack A damn
shame, it's so lame, a nigga case ignite Right

sometimes I think I do the same That's where I might
put it to tame [Hook: KAM] Aiy, don't blame me like
West Coast rap is dead Y'all are tryin' not to break no
bread [Chorus: Akon] Okey, see, I'm a real G from
head to toe The whole West Coast to let you know Got a
flow that's thick as the ammonia Never will I leave
California Where is my dreams? [KAM:] It's like a
struggle to rhyme, make you wanna just get outta
California [Akon] Then, where is my dreams? [KAM:]

outta California [Verse 3: KAM] These fools liars,
they're all ain't nothin' but haters They ain't thugs,
pimps or pushers, these niggaz is big fakers Drivin' big
cars on 20 Inch rims But will they help you blow? "No"
well alright then They're suckers, faggots, blockers,

them paranoid, tryin' to avoid the Grim Reaper Keepin'
hands on their heats, chucks on their feats Wearin'
white Ts and runnin' the streets Cause it's all about
money in this land of milkin' honey So I'm down with
