\*Common's answering machine beeps\*  
Say brotha  
If you ever let me leave out a club  
with a big fat ass, stove-like bitch  
like that without point out the facts,  
I'ma kick your motherfuckin ass.  
Man that nerve of the hoe not to give me no pussy.  
Come up in my house tryin to watch movies and shit.  
This ain't no motherfuckin cinema, BITCH!  
Who the fuck she thought I...  
Say brotha, I wasted a evening  
I shoulda went witcha, but ohh well  
You know I gets my pussy anyway, you know  
That's how playaz do  
But gahd-damnit Rashan  
That big ass bitch \*cracks up\*  
If you'da said to spread on that hoe  
Man I could kick my own ass  
Well, should go to work  
Just another wasted nite  
And ohhhh, ohhhh
