Call out the instigators

Because there's something in the air
We've got to get together sooner or later

Because the revolution's here, and you know it's...
...right
And you know that it's right

We have got to get it together

We have got to get it together...
...Now
Lock up the streets and houses

Because there's something in the air

We've got to get together sooner or later

Because the revolution's here, and you know it's...
...right
And you know that it's right

We have got to get it together

We have got to get it together...

Instrumental Section.

...Now
Hand out the arms and ammo

We're going to blast our way through here

We've got to get together sooner or later

Because the revolution's here, and you know it's...
...right
And you know that it's right

We have got to get it together

We have got to get it together
