One night  
One flash of brilliant light  
I pray you come soon  
Strong words  
Strange hands  
A million [???)  
I pray i get through  
To you

Chorus:  
So go out and  
Make strong your stance  
You were the best of them  
Just breathe out and in  
Hold me again  
Cause then you're off to them  
Like the rest of them  
You're gone

And i'll wait  
I'm fine here i could wait  
I'll wait till you get here  
Just be the star  
I have always known you were  
Perfect sound  
You're perfectly clear  
From here

Chorus

I'm falling down  
My wings don't work the way  
That yours do  
I know  
Just turn  
And walk along  
Till you get home  
I'll meet you at home

Chorus

One night

One flash of brilliant light  
I pray you come soon
