They can come true, yeah

They can come true, yeah

They can come true

Move a step closer you know that I want you
I can tell by your eyes that you want me too
Just a question of time I knew we'd be together
And that you'd be mine I want you here forever

Do you hear what I'm saying gotta say how I feel
I can't believe you're here but I know that you're real
I know what I want and baby it's you
I can't deny my feelings because they are true

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

I've seen you sometimes on your own and in crowds
I knew I had to have you my hopes didn't let me down
Now you're by my side and I feel so good
I've nothing to hide don't feel that I ever could

Do you hear what I'm saying gotta say how I feel
I can't believe you're here but I know that you're real
I know what I want, and baby it's you
Can't deny my feelings because they are true

Dreams can come true
Look at me babe I'm with you

You know you gotta have 'em
You know you gotta be strong

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

I'm not making plans for tomorrow let's live for tonight
I know I want you baby so hold me so tight
Put your arms around me you make me feel so safe
Then you whisper in my ear that you're here to stay

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong

Dreams can come true
Look at me babe I'm with you
You know you gotta have 'em
You know you gotta be strong
