I CAN LAUGH

Dont mind me, if Im a little naive
Dont mind me if I dont say please
Dont mind me if I drop down on my knees
and not worship the ground you walk upon

I wont mind if you ignore me
I wont mind if your friends adore me
And I wont mind if you take the dog with you
it always tried to eat my kitty cat

I CAN LAUGH WITH YOU KNOW
IVE EVEN LAUGHED AT ME
THE PICTURES KINDA FUNNY
WHEN YOU GET DOWN THROUGH THE CLAY

Excuse me if Im neurotic
Excuse me if I knock you
Excuse me if I say youre a bad lay
Excuse me if I sometimes forget to pay

I took my time
Didnt know why
Learnt how to fly
Im touching the sky
