"SO BLASÉ"

Visit "[SO BLASÉ](#)" on MotoLyrics.com

We were enchanted, love would last for always
Taken for granted, then came the changes unforeseen
I'm so in love with you who seem so blase
The problem now is, do you still want to stay with me?

You so blase, unconcerned, you're indifferent
You turn inattentive in company
Should I ask you, don't leave me?

We were enchanted wrapped up in our one dream
Taken for granted, in crept the silence unforeseen

You seem okay though I burn stony silence
You turn disinclined impassively
Can I keep you near to me?

Surely he can't really be so blase
(Surely he can't really be so blase)
Surely we will have another day
Surely we can hold it all together
(Surely we can hold it all together)
Surely we will find another way

You seem okay though I burn stony silence
You turn, disinclined impassively
Can I keep you near to me?

Surely he can't really be so blase
(Surely he can't really be so blase)
Surely we will find another way
Surely we can hold it all together
(Surely we can hold it all together)
Surely we will find another way

Surely he can't use my love forever
(Surely he can't use my love forever)
Surely he can love me like before
Surely we can hold it all together
(Surely we can hold it all together)
Was it just illusion that we saw?

Surely he can't really be so blase

(Surely he can't really be so blase)
Surely we will find another way
Surely we can hold it all together
(Surely we can hold it all together)
