And you would cause the sun to see your light  
And then be shamed  
You cover darkness with a thousand secret flames  
With your love, oh my love, oh my love, my love  
And I would cause the winds to blow a hundred  
different days  
And bring the perfumes of the gardens of the ways  
Of your love, oh my love, oh my love, my love

Crystal and the clay, nights and the days  
All on the prince's seal  
Eagle of the sky, lion of the earth  
This is what the seal is worth, what the seal is worth  
Holds all of the dreams of a man  
Tapestries, wishes of man, pictures and visions of man  
The spirit of the soul of the man  
And he would vow to love her for the rest of all his days
