Endless Nights I've Lain Awake
Searching Paths Towards My Dreams
These Sorrows Make My Inside Ache
All Is Lost Or So It Seems

Lead Us Through Twilight
Give Us Hope Again
Bring Us Salvation
Be My...

Wishbringer
Come Save Us
Wishbringer
Please Set Us Free

Visions Seen Of A Golden Age
Restless 'Til That Time Will Come
Pain Inside By Curious Rage
I Waited For So Long

After Endless Nights I've Lain Awake
I Found A Path Towards My Dreams
Wishbringer Healed My Inside Ache
All Was Hope But Now It's Real
