Uh yeah

I can feel my feet losing ground  
And my head won't quit spinning round  
And I can't control  
What's going on  
No no no no  
But I know for sure what it is  
And I'll take my shot,  
Hit or miss  
Gonna bring it home  
No matter what you say baby

Every little thing about you  
Makes me realize your the one  
Got my hands on the trigger  
You aint got no place to run

You can't stop my love  
Come a little closer  
You can't stop me now  
No baby  
Nothing's standing in our way  
Don't you try to fight it  
Show me what your made of  
You can't stop my, stop my love

Ah,ah,ah,ah,ah,ah

You say you do then you don't  
You say you will when you wont  
But you can't deny  
What's going on  
No no no  
I know your'e playing games  
Of hard to get  
But they're better off to put you to bed  
Cause you're gonna fall  
No matter what you say,  
Baby

Every little thing about you  
Makes me realize your the one  
Got my hands on the trigger  
You aint got no place to run

You can't stop my love  
Come a little closer  
You can't stop me now  
No baby  
Nothing's standing in our way  
Don't you try to fight it  
Show me what your made of  
You can't stop my, stop my love

Ah,ah,ah,ah,ah,ah  
You can't stop me,my love  
Ah,ah,ah,ah,ah,ah

I can't believe the things  
You do to me  
I'm all mixed up  
I can't even sleep  
But i wont give in  
Untill i get to you  
No matter what you say  
No matter what you do  
I wont stop my love for you  
You can't stop my love no baby

Nothing's standing in our way  
So don't you try to fight it  
Show me what you're made of  
You can't stop my  
Stop my love

You can't stop my love  
Come a little closer  
You can't stop me now  
No baby  
Nothing's standing in our way  
Don't you try to fight it  
Show me what your made of  
You can't stop my, stop my love

Ah,ah,ah,ah  
Ah,ah,ah,ah  
Cant stop my love  
Ah,ah,ah,ah  
Ah  
But ya can't stop my love
