Found the key to my cruel buzz. and drove  
Beyond because  
Too far, I crashed the car  
Light's were sinking in the tide, but  
Someone deep inside, said  
"Fight! Come back alive but you,

Gotta find what you're looking for, only  
One way how  
Yes you gotta love me a whole lor more  
Than you do right now"

Once the spirit of a child, so innocent so  
Wild,  
And free. Was there in me

Now the only thoughts at play turn summer  
Skies to grey,  
And wash rainbows away, so I've,

Gotta find what I'm looking for, only one  
Way how  
Yes I've gotta love me a whole lot more  
Than I do right now

Bring on the battle I'll shoot out the wings  
March to the deadbeats defend. Angels  
Sing

Gotta love me, yes I gotta love me
