"Falling Star"

What a blast. Blowing it so fast.
But you always said that it couldn't last.
Now here we are, living in my car.
Scored a last hurrah from your hocked
Guitar
But I want you, just the way you are.
Love you in the back seat of the car.
I will take you playing covers in a bar, I've
Found my fallen,
Star, star, star
Where do ya go, when nobody wants to
Know?
Well they always said you could steal the
Show
Sinking slow, in a friendly undertow,
And it's always the sharks to be first to
Go, oh, oh, oh
But I want you, just the way you are,
Love you in the back seat of the car,
I will take you playing covers in a bar, I've
Found my fallen,
Star, star, star
Broken dishes, caught me kisses,
You fall, I fell. Caught my angel.
Fallen star, I caught a fallen star,
Fallen star, caught my fallen star
