Sometimes I feel like this world  
Is just one big, gigantic merry-go-round  
You gotta hold on tight  
Or you get hurled thru the air  
Yeah, life is a 3 ring circus  
With clowns and freaks and camels and such  
And you never know when you might be  
Attacked by the bears  
Give me love, give me love  
Love me good  
Give me love give me love  
Lalalalalove me good  
Sometimes I feel like I'm afraid of my own shadow and  
then  
Sometimes I can feel as bold as Genghis Khan  
But I could never live in a yurt  
On a diet of Mongolian barbecue  
I conquer the world for a moment  
Then the moment is gone  
Give me love, give me love  
Love me good  
Give me love give me love  
Lalalalala love me good  
Let us take a moment now to bow our heads and pray  
If only to give thanks for making it through another day  
Sometimes I wish I was in a movie  
Or some 70s TV thing  
Where everything gets neatly wrapped by the end of  
the show  
Yeah, but this ain't Hollywood  
And this sure ain't the Brady Bunch  
How this plot's gonna all pan out  
I don't really know.  
Give me love give me love  
Love me good  
Give me love give me love  
Love me good  
Lalalalalala love me good
