Say Im crazy  
Cause I have to have you  
Say Im dreaming  
Cause I wanna see this through  
Say that no meaning to life  
If Im not with you  
My love, my only love  
Cause it's you  
Who will always be my first love  
Its you  
Who first showed me who I really was  
In you  
My soul has found the one Im searching for  
Its true, I adore you  
Our love is like a merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Girl you should know  
Cause the love we have we shouldn't let go  
Now you can walk away  
Go on without me  
Or you can try to stay  
And make this easy  
Though it's hard  
If you really wanna be alone  
Its okay, okay  
Our love is like a merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Girl you should know  
Cause the love we have we shouldn't let go  
Its clear to see  
Your heart belongs to me  
I always will get by  
With you in my life  
Don't you ever leave  
Don't you ever leave

Our love is like a merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves found the change  
Girl you should know  
Cause the love we have we shouldn't let go  
Merry go round  
Sometimes it's up  
Sometimes it's down  
Even good loves found the change  
Girl you should know  
Cause the love we had we shouldn't let go  
Girl you should know  
Cause the love we had we shouldn't let go
