Where there's a will there's a way,
I know that's what they say.
But sometimes you win, but sometimes
Wou lose,
It ain't always up to you.
So kill the clichs, stay drunk for days,
"Ace high" to play, you lose...
...may all your dreams pull through
Do unto those as you'd have
Them unto you.
Is that just a quote in a book,
Stephen King or Herman Wouke?
So fix the big game. Falsify names.
Transfer the blame for you...
...may all your dreams pull through
Raze the windmills in your mind,
And leave your sanity behind.
'Cause once we compromise the quest,
We don't always do what's best.
So fumble the ball. Get sick in the hall.
Get caught sparying walls "fuck you"...
...may all your dreams pull through
