"Where Or When"

It seems we stood and talked like this before
We looked at each other at the same way then
But I can't remember where or when
The clothes you're wearing are the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or when
Some things that happen for the first time
They seem to be happening again
And so it seems that we have met before
And laughed before and loved before
But who knows where or when?
The clothes you're wearing are the clothes you wore
The smile you are smiling you were smiling then
But I can't remember where or when
Some things that happen for the first time
They seem to be happening again
And so it seems that we have met before
And laughed before and loved before
But who knows where or when?
Who knows where or when
