Oh, I got a man that's always late
Any time we have a date
But, I love him
Yes, I love him

So, I'm gonna walk up to his gate
See if the way you can get it straight
'Cause I want him
Yeah, I ain't help him

I'll just ask him
Is you is or is you ain't, my baby?

Well, the way you're acting lately
Well it makes me doubt
You were still my baby, baby
But it seems like my flame in your heart
Well it didn't gone out

A man is a creature
That has always been strange
Just when you're sure of one
You'll find that, he's gone and made a change

I'll ask, Is you is or is you ain't, my baby?
Well maybe, my baby's found somebody new
Or is my baby, still my baby too

A man is a creature
That has always been strange
I just bidden you're sure of one
You'll find that, he's gone and made a change

Is you is or is you ain't, my baby?
Well maybe, my baby's found somebody new
Or is my baby, still my baby too
Oh, is my baby, still my baby too
