Shout to the top and never stop to pop
Cause if you chop the bop the music will flop
Shout to the top and never stop to pop
Cause if you chop the bop your secret will flop
Shout to the top and never stop to pop
Cause if you chop the bop the music will flop
Shout to the top and never stop to pop
Cause if you chop the bop
Your secret
Your secret
Your secret will flop!
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
Don't you be such a bore on the floor
Show me what you got, show me what you came here
for
Don't you be such a square on the floor
Show me what you got, show me what you got
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
It's not enough- I want more
It's not enough- I want more
It's not enough- I want more,
I want more, I want more
It's not enough- I want more

It's not enough- I want more
It's not enough- I want more,
I want more, I want more
