Now what you hear is not a test
It's Extra Virgine style
I'm Reni J., still the same
Recognize this smile?
I say ping pong, pink- the pinkiest pinky song you've
ever seen
You say sing song sing- the singy-song-
Singing in the shower with me
I'm ready to go but still I'm here to stay
Welcome to my show, I'm 'bout to pave my way
Gimme space, smack the face, pink balloons go by
Funny phrase, don't erase, confetti snow will fly, aaai
Let's play
C'mon baby
Let's play...
Let's play pink ping-pong
Let's play pink pong
Let's play pink ping-pong
Let's play pink pong
Let's play pink ping-pong
Let's play pink pong
Let's play pink ping-pong
Let's play pink pong
Let's play
C'mon baby
Let's play...
Now what I feel I can't express
And it may take a while
I can assure, if you stay tuned
You too will feel the style
I get inspired by- the hippy-hoppy rhythm of the
oldschool beat
And I'm in style of - the 80's wearing three stripes on
my feet
And after the show my plan is not to stay
I think you should know, so don't you block my way
Before I go, let's play the game
The pink ping-pong- you know
As simple as cut 'n' go, same rules at every show, oh
Let's play
C'mon baby

Let's play...
Let's play pink ping-pong
Let's play pink pong...
Let's play- hah!
