When I fall in love it will be forever  
Or I'll never fall in love  
In a restless world like this is  
Love has ended before it's begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun

When I give my heart it will be completely  
Or I'll never, never, never give my heart  
And the moment I can feel  
That you feel the same way too  
Is when I fall in love with you

In a restless world, oh, like this is  
Love has ended before it's begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun

When I give my heart, oh, it will be completely  
Or I'll never give my heart, oh  
And the moment I can feel  
That you feel the same way too  
Is when I fall in love with you
