Take my hand I will make you understand
I'm in vain driving on a different lane
I never said the truth about the things I did
But I'm in love for sure
All I want to have is you
Baby I am here to guide you
You set my heart on fire

Don't want to live my life alone without you
I fear this feeling inside me
It's so hard for me
I'm not as strong as you think
I see you everywhere I go

Yes I know I wasn't really good enough
I went away, knowing you were not okay
I never said the truth about the things I did
But I'm in love for sure
All I want to have is you
Baby I am here to guide you
You set my heart on fire

Don't want to live my life alone without you
I fear this feeling inside me
It's so hard for me
I'm not as strong as you think
I see you everywhere I go

I'm waiting for a chance
I hope you'll understand
Life has not been easy for someone like me
