Ain't no sunshi-ine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she go-one  
And she's always gone too long  
Anytime she goes away

Wonder this time where she's gone  
Wonder if she's gone to stay  
Ain't no sunshine when she's go-one  
And this house just ain't no home  
Anytime she goes away

And I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know, I know, I know  
I know, I know  
An' ya-ll leave the young thing alo-one

There ain't no sunhine when she go-o-o-one  
Ain't no sunshi-ine when she's gone  
Only darkne-ess every day  
Ain't no sunshine when she's go-one  
And this house just ain't no home  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away  
Anytime she goes away
