I'm goin' to Chicago, sorry but I can't take you  
Yes I'm goin' to Chicago, sorry but I can't take you  
Cause there's nothin' on State Street, that a monkey  
man can do

I've got a monkey man here, a monkey man over there  
(2x)  
If monkey men were money, I'd be a Chicago  
millionaire

I've got fourteen men now, I only want one more  
I've got fourteen men now, and I only want one more  
As soon as I can get one, I'll let these fourteen go

Now I'm goin' tell you, like the day goes so must  
you(2x)  
When you nobody no money, mama can no usin' you

I can take my monkey men, and stand them all in  
line(2x)  
Anybody can count them, one two three four five six  
seven eight times
