Tell me pretty daddy, what's the matter now  
Tell me pretty daddy, what's the matter now  
Aw, you're trying to quit me and you don't know how

I'd rather be dead, buried in the sea  
I'd rather be dead, buried in the sea  
Than have the man I love say he don't want me

Lawd, Lawd, Lawd, Lawd, Lawd, Lawd  
Lawd, Lawd, Lawdy, Lawdy, Lawd  
Oh, the man I love treats me like a dog

I'd rather see my coffin come rolling in my door  
I'd rather see my coffin come rolling in my door  
Than hear the man I love say. "I don't want you no more"
