Love me daddy, love me all the time
Love me until I pass away
I'm just wild about my loving
Love me night and day
I used to have an old man who never did like loving
That man was not my kind
I found someone who likes loving like me
And you can pass my house and hear me crying

I want a man to be real nice to me and call me mama, I
say mama
I don't want no man if he can't call me mama, I say
mama
He's got to be nice and kind
Got to love me all the time
And when he starts loving all you can hear me saying
Oh papa, please your mama
Lord, I want a man I can play with all night long
I want a man to take back round to my mama's home
And when he loves me in that oldfashioned way
I don't mind dying everyday
Because lovin', lovin' is the thing I'm just wild about

I want a man that I can play with all night long
I want a man to take back round to my mama's home
And when he loves me in that oldfashioned way
I don't mind dying every day
Because lovin', lovin' is the thing I'm just wild about
