Molly is dancing, catching the eyes
Reveals her desires, she drops me
Touch my body, I slowly whisper
Then I'm almost, tell me
Are you here alone? Shall we go next?
And you'll give me a lesson in love

It's memorable, your smile
What you do to me, what would you
It's memorable, your smile
What you do to me

Let's go away fast before run out
Snatmcar ago, the night was written
Wherever you want, the something else
Worth much more, tell me
Are you here alone? Shall we go next?
And you'll give me a lesson in love

It's an unforgettable ...
