Noone knows how you feel  
Noone there you'd like to see  
The day was dark and full of pain  
You write help with your own blood  
'Cause hope is all you've got  
You open up you eyes  
But nothings changed

I don't want to cause you trouble  
Don't wanna stay too long  
I just came here to say to you

Turn around, I am here  
If you want it's me you'll see  
Doesn't count, far or near  
I can hold you when you reach for me

Your life is meaningless  
Your diary full of trash  
It's so hard to get along with empty hands  
You're looking for the rainbow  
But it died not long ago  
It tried to shine just for you  
Until the end

I don't want to cause you trouble  
Don't wanna stay too long  
I just came here to say to you  
I am by your side  
Just for a little while

Turn around, I am here  
If you want it's me you'll see  
Doesn't count, far or near  
I can hold you when you reach for me

If the world makes you confused  
And your senses you seem to lose  
If the storm doesn't want to diffuse  
And you just don't know what to do  
Look around, I am here

Doesn't count far or near

I am by your side  
Just for a little while

Turn around  
Turn around, I am here  
Turn around  
Doesn't count, far or near  
Turn around  
If you want it's me you'll see  
Turn around  
I can hold you when you reach for me  
Turn around, I am here  
Doesn't count, far or near

I am by your side  
Just for a little while  
We'll make it if we try
