I'm watching the clock reaching 4:25
You've got me twisting and turning.

I could count the stars.
It didn't get me far.

While the moonbeams are dancing on top of my bed,
I'm wide awake, and I'm dreaming.

I can see your face, but you're half a world away.

I gotta stop wishing ...
But my heart isn't listening!

[Refrain]:
I'm sleepless
You're leaving me sleepless,
'Cause you're still on my mind
And it's keeping me up at night.
I'm sleepless.

I stare at the wall, now the shades
come alive, from branches outside my window.

As the sky turns red,
All of the monsters fade.

I wanna stop thinking,
But my mind isn't listening.

[Refrain]:

Ohohoh, you've got me spinning.
Ohohoh, you've got me turning.
Ohohoh, it's getting worse each day.

Ohhh. You're still in my head,
I try to forget you...

[Refrain]:
