I know that i know that my life is redeemed,
I know I have found what some only have dreamed.

I hold in my heart, the pearl of great price

Dear God hear my cry, I want to know Christ.

I want to know Christ.

I keep Him before me. I lift up my eyes.

I drink in His Glory.

I press toward the goal. His goodness unfolds.

March on, O my soul; I want to know,

I want to know Christ.

I know that my path is the way of the cross.

So I count what I gain , and forget what i've lost.

In pain there is joy, In death there is life.

Dear God hear my cry..

I want to know Christ.

I want to know. Yes I want to know Christ.

And the things that entangle me,

I lay them down, all the treasures and trophies of life

Let them be lost; only let me be found in Christ.

I want to know Christ.

I keep Him before me.

I lift up my eyes, I drink in His glory.

I press toward the goal.

His goodness unfolds.

March on o my soul.

I want to know

Yes I want to know

Oh I want to know Christ.

I want to know Christ.
