I've been saving it since I was a child

You saved your spit?  
Wait here, I wanna show you something  
Look it's my magic nose goblins

Yah, und I finally get a good look at them

One six yerteen eight, what's that?  
Duh, it's my first material possession  
Willikers, it's so big  
I know  
You want to see mine?  
Okay, wow
