I always knew we were meant to be lovers  
I always knew we were made for each other  
I always knew there was no one else could make me  
feel this way  
But when you go away

Chorus:

The angels cry  
Each time we say goodbye  
The angels cry  
Each time we say goodbye

The summer sun always shines when you're with me  
I feel it's warmth in the love that you give me  
I feel your touch and I know that's where I always want  
to stay  
But when you go away

Chorus

When we're apart  
The rain it falls  
The wind it calls  
For you my love

Right from the start  
When our love was young  
The rising sun  
The only one was you my love

I always knew we were meant to be lovers  
I always knew we were made for each other  
I always knew there was no one else could make me  
feel this way  
But when you go away

Repeat chorus three times
