How do you talk to a little baby goat you can't go meow
like a cat
When you go meow to a little baby goat he can't go
meow right back
No you have to say baaa to a little baby goat you can't
say hello like a man
You have to say baaa to a little baby goat that's all he
understands

How do you talk to a little baby goat you can't go cackle
like a hen
When you go cackle to a little baby goat it doesn't
mean a thing to him
So you have to say baaa...

How do you talk to a little baby goat you can't go quack
like a duck
When you go quack to a little baby goat it just doesn't
mean very much
So you can't go meow cackle quack to a goat you can't
say hello like a man
You can't go meow cackle quack to a goat remember
you have to say baaa
