Oh baby-baby-baby, come to your daddy now  
Oh baby-baby-baby, come to your daddy now  
Oh baby, how I need you  
I gotta get you back somehow  
You know how much I love you  
When I told you goodbye  
Eh, now baby I'm so lonesome  
I just sit around and cry  
Baby-baby-baby, the nights are so doggone long  
Oh, I can't live without you  
Baby, won't you please come home

Oh baby-baby-baby, you know I miss you so  
Oh baby-baby-baby, you know I miss you so  
Oh, come back home baby  
Don't ever leave no more  
You know how much I love you  
When I told you goodbye  
Eh, now baby I'm so lonesome  
I just sit around and cry  
Baby-baby-baby, the nights are so doggone long  
Oh, I can't live without you  
Baby, won't you please come home  
Baby, won't you please come home  
Baby, won't you please come home
