Sing a song of sixpence, pocket full of rye  
Hush-a bye my baby, no need to be crying.  
You can burn the midnight oil with me as long as you  
will  
Stare out at the moon upon the windowsill, and  
dream...

Sing a song of sixpence, pocket full of rye  
Hush-a bye my baby, no need to be crying.  
There's dew drops on the window sill, gumdrops in  
your head  
Slipping into dream land, you're nodding your head, so  
dream...

Dream of West Virginia, or of the British Isles  
'Cause when you are dreaming, you see for miles and  
miles.  
When you are much older, remember when we sat  
At midnight on the windowsill, and had this little chat  
And dream, come on and dream, come on and dream,  
and dream, and dream...
