He's climbin through yo windows,
Choppin yo people up
Choppin, Choppin,
So you better hide yo kids,
Hide yo wife, Hide yo kids, Hide yo wife, Hide yo kids,
Hide yo wife
And hide yo husband cause he slicin' everybody out
there

You don't have to come and confess,
We lookin' for you,
We gonna find you, we gonna find you,
So you can run and tell that, run and tell that, run and
tell that
Knife, knife, knife, knife, knife

I guess that's one good reason why you should lock
your doors at night *shrieks*
He left without leaving behind no evidence
I was attacked by some idiot in the kitchen

Your an apple, your an apple, your an apple, Knife

He's climbin' through yo windows
Choppin' yo people up
Choppin', Choppin'
So you better hide yo kids,
Hide yo wife, Hide yo kids, Hide yo wife, Hide yo kids,
Hide yo wife
And hide yo husbands cause he slicin' everybody out
there

You don't have to come and confess
We lookin' for you
We gonna find you, We gonba find you
So you can run and tell that, run and tell that, run and
tell that
Knife, knife, knife, knife, knife
