YOU'LL GET OVER IT

MAUREEN

It's times like these I really appreciate - Mark! Dear, I'm so glad you're here! Honey, baby! You've lost some weight...I mean you've always looked great.

MARK

I try Maureen.

MAUREEN

Back when we used to date.

MARK

You lie Maureen.

MAREEN

Now let's not get irate.

MARK

Why Maureen?

MAUREEN

Joanne ran for the cable but of course she's late.

MARK

I don't know why I even try Maureen.

MAUREEN

My samples won't delay, but the cable...

MARK

There's another way! Say something, anything!

MAUREEN

Test 1-2-1-2-3

!

MARK

Anything but that. Tell me what it's like

MAUREEN

What?

MARK

With a girl - tell me what it's like for a girl and a girl.

MAUREEN

No way!

MARK

Tell me - or I walk away.

MAUREEN

It's amazing!

MARK

Who's on top? Who wears the pants? Who leads when you dance? Give me

one more chance Maureen! This is just a phase like girls and horses!

And you never even wore flannel shirts! You'll get over it!

MAUREEN

How's it going?

MARK

Not good - I'm depressed.

MAUREEN

I meant the sampler.

MARK

I'm adapting - repatching!

MAUREEN

Thank God! You're the best!

MARK

Ha!

MAUREEN

Don't be depressed! Tell me how you've been!

MARK

Why?

MAUREEN

Cause I care - tell me how you've been! God time flies!

MARK

Don't patronize!

MAUREEN

Tell me! We used to be friends!

MARK

I'm lonely, bored, and horny!!!

MAUREEN

Is there no one new? You need a mate! It's not too late!

Have you even

had one date?

Boy, you just need some time then you'll be fine Mark!

Anyway! I

treated you like dirt. You'll get over it! Just remember what you

hate about me! Though it may be hard.

MARK

How can you be so content without me? How can you
disregard all we
had?

MAUREEN

Dysfunction!

MARK

All we said?

MAUREEN

I'm over men!

MARK

All we did!

MAUREEN

I slept around!

MARK

And you will again! Tell me what you'll do!

MAUREEN

When?

MARK

When you're bored! Tell me what you'll do when you
tire of girls!

MAUREEN

I wont!

MARK

I'll tell you - you'll run back to me!

MAUREEN

Your fantasy!

MARK

You always do!

MAUREEN

Don't hold your breath!

MARK

I know your kind! Always change your mind!

MAUREEN

Don't be so blind! Can't you see? All my life I've known
who I was
meant to be!

MARK

But you never even liked KD Lang!

MAUREEN/MARK

You'll get over it!

MARK

This is just a fad that will fade! You'll get over it!

MAUREEN

You just need to get laid! You'll get over it! In time we'll
laugh

about this! You'll get over it!

MARK

In time you'll beg for my kiss!

MAUREEN

Don't bet on it!

MARK

Try it now!

MAUREEN

You'll get over it!

("You'll get over it" echoes)

Grrr!

MARK

I call this cause for hope!

MAUREEN

I would call this platonic - don't grope!!!

(JOANNE enters)

Honey! You're back! Uh - we're patched.
