You're ten years older than I
I bet you think that I'm so young
You wont get on with your life
I treat it and get it baby
See, I just got back from LA
And that's when I fell in love
It felt like you broke my heart
And now I'm all alone
My life is crumblin
My life is crumblin Suzanne
I feel I'm crumblin
I feel I'm crumblin suzanne
I told it to you as a friend
I come to you and no other
This time I need you Suzanne
So please don't act like my mother
I think I'm crumblin
I feel I'm crumblin Suzanne
I think I'm crumblin
My world is crumblin Suzanne
I feel so lonley inside
As I rest my head and fade to sleep
I need to get back to LA
And start chasing you around
Get back to the one I love
Get back to my sweet baby
I think I'm crumblin
I think I'm crumblin
I feel I'm crumblin
I think I'm crumblin Suzanne
