[THE PREY WAS NOT AS THE HUNTER EXPECTED]

(Queen Illia)

She said,

"Congratulations on your victory

You did so very well

Impressive for your first engagement

In battle skills you quite excel"

She was thinking while he was winning

He had something more at stake

Even when the blood was spilling

There was something

That he couldn't shake

Have you thought about

What's in store for you?

Have you thought about

What she's going through?

You got the power

To win the contest

Do you have talents

To win a princess?

[Chorus]

Hey, hey, never say never

You want it you got it

In love forever

Hey, hey, angels descend now

You want it baby

Just take her hand now

She said,

"Oh Helmut, you're a charmer

You possess a lot of skill"

She's got a thing for guys in armor

And he truly fits the bill

Have you thought about

What's in store for you?

Have you thought about

What she's going through?

She's got a throne

She's got no babies

We hope your skills have

A way with ladies

[Chorus]

Hey, hey, wedding bells ring now  
Don't blow it baby  
You could be King now  
Hey, hey, this is your big chance  
Let's get it on now  
It's time for romance  
It's time to decide Helmut  
What's it going to be?  
Go to her castle, Helmut  
And play King to be
