[OUTSIDE THIS KINGDOM, A YOUNG MAN PREPARES TO  
FULFILL HIS DESTINY]

(Helmut)

Hey, it's me again

I thought I'd let you know

I'm turning 18

And soon I'll have to go

Pray, watch over me

As I do as I vowed

I hope you're pleased with me

I hope I'll make you proud

[Chorus]

Can you see me now?

Let me know somehow?

Is there a way back?

Oh, why did you leave me?

Can you hear me now?

Speak to me somehow?

Does the veil of death

Separate us completely?

Grandmother did her best

We struggled through the years

I worked so very hard

She always hid her tears

How I wish you were here

To see me on my way

To face my destiny

Evil will pay

I never knew you, Mother

I always missed you, Father

Why did you leave me, Mother?

Do you still love me, Father?

Avenge your death

Is what I vow

In darkened dreams

You showed me how

Through pain and hate

My heart grew hard

My hopes forever scarred

I know that death

Will be my fate

My sweet revenge  
Will motivate  
To see the look  
Upon her face  
In reaper's cold embrace  
[Chorus]  
I never knew you, mama  
I always missed you, papa  
Why did you leave me, mama?  
Do you still love me, papa?  
I always loved you Mother  
I always loved you Father  
Why did you leave me Mother?  
Do you still love me Father?
