[A CONTEST WILL BE THE PLACE OF RETRIBUTION]

(Herzig)

Come one, come all  
For sights unseen  
The gallant fight  
To please the Queen  
Majestic pageant  
Of blood and steel  
Pounding hooves  
And feats unreal  
Open warfare  
On the field  
Battle skills  
Shall be revealed  
The mighty clash  
To entertain  
To choose a victor  
Through sport and game

[Chorus]

The weak will fall  
The mighty win  
Let the games, the games begin  
Time to release  
The beast within  
Let the games, the games begin  
A prize of glory  
To wed the Queen  
A warrior's story  
A King to be!  
Fists of metal  
Heart and will  
Screams of battle  
Fear instill  
Smoke and fire  
Groans of pain  
Once was many  
Few remain  
Teeth are clenched  
Eyes will burn  
Crash of contact  
No return

[Chorus]  
The trophy a Kingdom  
And beautiful bride  
A lady in waiting  
Where secrets reside  
The field is littered  
With limbs and heads  
The screams of living  
The still of dead  
You spy your target  
And he's alone  
It's time to finish  
And send him home to God!  
Open the door  
To victory  
His heart the lock  
Your sword the key  
[Chorus]  
A prize of glory  
To wed the Queen  
A warrior's story  
A King to be!  
Now let the  
Games begin!
