Please, don't hate me mama  
For what I'm about to do  
But the good times we've had together  
Are just about now through

Please don't misunderstand me  
I hate to see you cry  
But I think that it might look better  
If I told you now, goodbye

I'm back on the road again  
It's time I leave you now  
And maybe I'll see you  
Next time, I'm around

Until then I hope you're happy, baby  
And good times come your way  
I'm back on the road again  
I'm on my way, yeah, yeah

Well, I've loved you since the day I met you  
And I'll love you til the day I die  
But we both know the life I'm livin'  
And we both know the reason why

That I've got to leave ya, mama  
And I've got to leave today  
But you know that I'll see you  
Next time, that I come  
Through your town to play

Back on the road again  
It's time I leave you now  
Maybe I'll see you  
Next time, I'm around

Until then I hope you're happy, baby  
Good times come your way  
Back on the road again  
I'm on my way, yeah, yeah

I'm back on the road again

It's time I leave you now  
And maybe I'll see you  
Next time, I'm around

Until then I hope you're happy, baby  
Good times come your way  
I'm back on the road again  
I'm on my way

I'm back on the road again  
I'm on my way, yeah, yeah  
I'm on my way, yeah, yeah  
Bye, bye, baby, bye, bye, baby

Back on the road again, back on the road again  
Back on the road again, I'm back on the road again  
Back on the road again, back on the road again
