Sooner or later you will find a way  
To feel like sunshine even on a cloudy day  
To feel like morning in the dead of night  
Sooner or later it's gonna be all right

Now don't go thinking  
Your life's a mess  
You rather start thinkin'  
In terms of happiness

And it's gonna happen  
Just decide where you're goin'  
And get out in the open  
And start blazin' your own trail again

For it takes time sometimes to figure out  
Well, that there's nothing to worry about  
And that there's plenty to be thankful for  
For it takes time sometimes to know the score

See everybody's got  
A smile inside  
So put it upon your face  
And wear it with pride

And it's gonna happen  
Just decide where you're goin'  
And get out in the open  
And start blazin' your own trail again

It's gonna happen  
Just decide where you're goin'  
And get out in the open  
And start blazin' your own trail again  
[Incomprehensible] start blazin' your own trail again
