Sooner or later you will find a way,
To feel like sunshine even on a cloudy day.
To feel like morning in the dead of night.
Sooner or later it's gonna be alright.

Now don't go thinking your life's a mess.
Rather start thinking in terms of happiness.

And it's gonna happen,
Just decide where you're goin'
Get out in the open
And start blazing your own trail again.

It takes times sometimes to figure out
That there's nothing to worry about.
And that there's plenty to be thankful for.
It takes time sometimes to know the score.

See everybodys got a smile inside.
So put it upon your face and wear it with pride.

And it's gonna happen.
Just decide where you're goin'
Get out in the open.
And start blazin' your own trail again.
