Grew up in a small town
And when the rain would fall down
I'd just stare out my window
Dreamin' of what could be
And if I'd end up happy
I would pray
Trying hard to reach out
But, when I tried to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I'd pray
I could break away
[chorus]
I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
And I'll make a wish, take a chance, make a change
And break away
Out of the darkness and into the sun
But, I won't forget all the ones that I love
I'll take a risk, take a chance, make a change
And break away
[verse 2]
Wanna feel the warm breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on a jetplane, far away
And break away
[chorus]
I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
And I'll make a wish, take a chance, make a change
And break away
Out of the darkness and into the sun
I won't forget all the ones that I love
I gotta take a risk, take a chance, make a change
And break away
[bridge]
Buildings with a hundred floors
Swinging round revolving doors
Maybe I don't know where they'll take me

But, gotta keep moving on, moving on
Fly away, break away

[chorus 2]

I'll spread my wings and I'll learn how to fly
Though it's not easy to tell you goodbye, gotta
Take a risk, take a chance, make a change
And break away
Out of the darkness and into the sun
But, I won't forget of the place I come from
I gotta take a risk, take a chance, make a change
And break away
Breakaway
Breakaway
