Ive been thinkin too much  
Ive been drinkin too much  
Oh and thinkin and drinkin for me is a dangerous  
combination

And Im lonely as hell  
with a story to tell  
im talkin to myself and thats a dangerous conversation

Baby you could save me tonight  
you could make everything alright

Youre lookin better by the minute  
im tryin to keep from fallin in it  
you make me just a little too much temptation

If were gonna turn back, better turn back now  
id say no but i dont know how  
girl i really should be leavin  
but thats another conversation

Baby you and me tonight, thats a dangerous  
combination  
Its a dangerous combination

Ive been tryin so hard  
Feel like cryin so hard  
Baby i may die tryin to find the taste of sweet salvation

But it all looks so clear  
through these glasses of beer  
and in your eyes ive stumbled upon a doubleshot of  
inspiration

Rockin a hardplace im in between  
come on baby and set me free

Youre lookin better by the minute  
im tryin to keep from fallin in it  
you make me just a little too much temptation

If were gonna turn back, better turn back now  
id say no but i dont know how  
girl i really should be leavin  
but thats another conversation

Baby you and me tonight, is a dangerous combination  
Its a dangerous combination

If were gonna turn back, better turn back now  
id say no but i dont know how

Ive been drinkin too much
