How did we end up ending up this way
I always thought that we could work it out
At times I wondered if we'd last out the day
But my love was always stronger, stronger than my
doubt

And we are, are we running out of time
We've come so far to leave it all behind
But that's how I feel
I wanna know how you feel

Oh, I'd walk all night for you, baby
Stand in the pouring rain
But you gotta meet me, baby, half way, yeah
You know that I don't wanna give up
I'd do anything to make you stay
But you gotta meet me, baby, half way

I couldn't tell you what you meant to me
I kept those feelings hidden far away
And hoped that you could tell by looking at me
Now I know what you needed, is it too late to say

That I love you more than I ever knew I could
And I need you now like I never thought I would

Oh, I'd walk all night for you, baby
I'd stand in the pouring rain

But you gotta meet me, baby, half way, yeah
You know that I don't wanna give up
I'd do anything to make you stay
But you gotta meet me, baby, half way
You gotta meet me half way

I've thought about living my life without you
In this cold, cold world
But I'm no man of steel, but I'd walk on fire for you
That's just how I feel, yes it is

Oh, I'd walk all night for you, baby
Stand in the pouring rain

But you gotta meet me, baby, half way, yes you do
You know that I don't wanna give up
I'd do anything to make you stay
But you gotta meet me, baby, half way
You gotta meet me half way
I'm standing in the pouring rain, baby
You gotta meet me half way
You know I'd walk all night, oh yeah
You gotta meet me half way
You gotta meet me half way
Oh yeah, yeah, yeah, yeah, yeah
You gotta meet me half way
You gotta meet me half way
You gotta meet me half way
