Heard it from a friend who heard it from a friend who  
Heard it from another you've been messing around  
They say you've got a boyfriend, you're out late  
every weekend  
They're talking about you and it's bringing me down

Well I know that neighbourhood  
The talk is cheap but when the story is good  
And the tales grow taller on down the line  
But I'm telling you, babe, that I don't think it's true,  
babe  
And even if it is keep kissing my hide

You take it on the run, baby  
If that's the way you want it, baby  
Then I don't want you around  
I don't believe it, not for a minute  
You're under the gun so you take it on the run

You're thinking of your white lies  
You're putting on your bedroom eyes  
You say you're coming home but you won't say when  
But I can feel it coming  
If you leave tonight, keep running  
And you need never look back again

You take it on the run, baby  
If that's the way you want it, baby  
Then I don't want you around  
I don't believe it, not for a minute  
You're under the gun so you take it on the run

Take it on the run, baby  
If that's the way you want it, baby  
Then I don't want you around  
I don't believe it, not for a minute  
You're under the gun so you take it on the run

Take it on the run, baby  
If that's the way you want it, baby  
Then I don't want you around  
I don't believe it, not for a minute

You're under the gun so you take it on the run

Heard it from a friend who heard it from a friend who  
Heard it from another you've been messing around
