I can't fight this feeling any longer  
And yet I'm still afraid to let it flow  
What started out as friendship has grown stronger  
I only wish I had the strength to let it show

I tell myself that I can't hold out forever  
I say there is no reason for my fear  
'Coz I feel so secure when we're together  
You give my life direction, you make everything so  
clear

And ever as I wander, I'm keeping you in sight  
You're a candle in the window on a cold dark winter's  
night  
And I'm getting closer than I every thought I might

No, I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever

No, I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Or come crashing through your door  
Baby, I can't fight this feeling anymore

My life has been such a whirlwind since I saw you  
I've been runnin' round in circles in my mind  
And it always seems that I'm following you girl  
'Cause you take me to the places that alone I'd never  
find

And ever as I wander I'm keeping you in sight  
You're a candle in the window on a cold dark winter's  
night  
And I'm getting closer than I every thought I might

And I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
It's time to bring this ship into the shore  
And throw away the oars forever

No, I can't fight this feeling anymore  
I've forgotten what I've started fighting for  
And if I have to crawl upon the floor  
Or come crashing through your door  
Baby, I can't fight this feeling anymore
